It is clear that the duties of the Manager, Art & Craft Dept do not necessitate the grant of an allowance to fact the present incumbent has not been getting any allowance of an allowance is to be sanctioned to Sri Srinivasan it has to be a personal allce & not a dist allowance. The sanction of an allce on purely personal grounds will naturally be a grievance to other officer in the Dept & is likely to be objected to in audit.

57) However the position in this case requires clarification. Since the post of Manager, Art & Craft Dept is only a tenure post & since Sri Srinivasan's present post is to be retrenched a decision has to be taken as to when his lien is to be retained.

Subsequently he has proposed that Sri P.A.Sheriff, Sales Manager, Mysore Arts & Crafts Depot, Bangalore who is drawing a pay of Rs.190/-p.m. in the grade Rs.100-10-200 be posted as Administrative Assistant on his own pay instead of Sri B.R.Srinivasan, who may be posted to Arts and Crafts Depot.

64) Sri Sreenivasan has his permanent lien as Superintendent, I.G.Q. Mysore. This post need not be abolished for the present and the lien of Sri Sreenivasan may be continued against this post. Meanwhile the post of the Sales Manager, Arts & Crafts Depot, Bangalore which has been in existence for the past ten years may be made permanent, as there is no likelihood of this post being abolished, when the post of the Superintendent, I.G.Q. Respected Sir,

I beg to state that the post of the Superintendent, Indian Guest Quarters, Mysore, I am now holding from 20th July 1944 has been ordered to be retrenched as a result of which I will be distrubed. I hold, however, a permanent lien in the Secretariat. I am now drawing Rs.200/- plus Rs.30/- allowances and Rs.35/- Dearness Allowance. I have so far put in about 13 years of qualifying service and I have been confirmed in the Secretariat establishment in 1946. I have to my credit both technical qualification and practical knowledge in the Engineering field with an intimate and close service of over four years in the Mysore Public Works Department - both as Draughtsman and as a surveyor, entrusted with various types of building construction work etc., and other allied works. Besides, I had a good and rare opportunity of acquiring knowledge in the field of organisation and management and other connected official routine by my having been taken over as the Superintendent of the Indian Guest Quarters for more than nine years. The work connected with this is of a varied one so much so, I was taken over for work - a new ground to be taken open - viz., as an Assistant Special Duty Officer for the International Labour Organisation Conference, International Education Seminar, Central Advisory Board of Education, the Indian Railway Enquiry Committee and the all India Educational Conference, which were held in Mysore and ha[s] helped me to earn appreciation of my services by all th[e] concerned.

In the above foregoing circumstances, I humbly

S i r,

Sub:- Representation of Sri B.R.Srinivasan, Superintendent, Indian Guest Quarters, Mysore.

In continuation of this office letter No.B.26/53-54 dated 26-10-1953 and D.O.letter No.B.26/53-54 dated 3-11-1953, I write to state that the Convener, Board of Management of Industrial Concerns was requested to give his opinion regarding the filling up the post of the Administrative Assistant now vacant in the Government Porcelain Factory. He has replied in his letter No.915 dated 29-10-1953 (Copy enclosed) that the said vacancy of the Administrative Assistant in grade Rs.100-10-200 has not yet been advertised and if Sri B.R.Srinivasan has to be provided with an appointment in any Department of Government as a result of retrenchment, the same may be considered for this post with the approval of the Public Service Commission.

I consider that Sri B.R.Srinivasan with his long service of 13 years, and knowledge of the work of the Public Works Department and the general establishments of the Guest Quarters in Mysore, where he has come into contact with large numbers of people, is quite suitable for appointment as Administrative Assistant in the Government Porcelain Factory and should be in a position to attend to the duties of the post competently. I may mention that the previous incumbents of this post viz., M/S. Menon and Veerabhadra Setty, are now working as Stores Officer, Govt. Silk Weaving Factory and Manager, Dasara Exhibition Office, Mysore, respectively. As the proposals to expand the Government Porcelain Factory are being taken up at once for execution, the posting of an official to this place is immediately called for. Sri B.R.Srinivasan, may therefore be appointed in the vacancy on probation for one year in the first instance on his present salary (Pay Rs.200/- plus an allowance of Rs.30/-) in the grade of Rs.100-10-200 sanctioned for the post with the approval of the Public Service Commission.

I request you kindly to obtain the sanction of the Government for my proposals as above and intimate the same at an early date.

To

The Secretary to the Government of Mysore,

Development Department, Bangalore.

Sir,

Sub:- Representation of Sri B.R.Srinivasan, Superintendent, Indian Guest Quarters, Mysore.

With reference to your letter No.I.4084 dated 9-3-1954 and subsequent reminder dated 3rd May 1954 on the abovementioned subject, I write to state that the General Manager and Ceramic Expert, Govt.Porcelain Factory, Bangalore, has been repeatedly bringing to my notice that the administrative work of the factory has enormously increased and that there is lack of experienced staff at the factory and that the post of Administrative Assistant may be filled up very early in the interests of work. As Government are aware, the expansion project of the Factory for the manufacture of high voltage insulators has been recently sanctioned and with the implementation of this project, the work of the factory will considerably increase. The recruitment and appointment of additional labour, supervision over personnel administration, and the work of the clerical and subofdinate establishments in the general sections of the Factory which are under the direct administrative control of the General Manager will require the constant and close supervision of an officer who is not only good with general office work but also with the handling of staff and establishment matters. Besides it has been repeatedly repoted by the General Manager that the sales and purchases work of the Factory is not satisfactory and that the losses of the Crockery Section cannot be remedied unless more comprehensive and effective sales organisation is set up at the Factory. On account of the large scale expansion of the electro-porcelain production, the sales and purchases work of electro-porcelain will also require greater attention. In view of these circumstances I agree with the General Manager that it is not desirable to keep the existing vacancy unfilled and in order to avoid serious loss of efficiency and work getting into arrears, the post of the Administrative Assistant has to be immediately filled.

The General Manager has suggested that one Sri K.R. Sreenivasa Iyengar who is now employed on Muster Roll at the Factory and drawing a pay of Rs.102-8-0 plus Rs.10/- allowance at present be appointed as Administrative Assistant. This official has been looking after the Managerial work of the Crockery Section of the Factory hitherto. As the working of this Section has not been satisfactory and will continue to require close attention in order to secure all possible economies, disposal of old stocks and greater sales, I consider that it will be desirable to continue this official in this charge itself with a revised scale of pay if necessary as he has picked up considerable experience and knowledge of the work of this Branch. Besides, this official has put in a comparatively short period of service and as he is on muster roll, his transfer to the permanent establishment involves complications and public Service Commission has to be consulted in the matter. Recent instructions of Government are that no recommendations outside the rules should be made by Heads of Departments.

I, therefore, recommend in view of these considerations and in order to avoid further delay in the making of this appointment, that Sri H.R.Srinivasan, whom I have already proposed in my letter No.P-1/2482/42-53 dated 12th January 1954 for the reasons mentioned therein, be appointed to this post with the approval of the PublicService Commission. Sri Srinivasan will also be in charge of the Watch and Ward of the Factory as Administrative Assistant and by this arrangement, the separate post of watch and ward officer at the Factory will be retrenched thereby giving considerable savings to the Factory. I request that the very early orders of Government may be obtained and intimated to me in the matter.

Yours faithfully,

(E.V.GANAPATI IYER)

OFFICE OF
The Director of Industries and

No. B.12/54-55.

Date 14th December, 1954.

To

The Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

Subject:- Transfer of Sri. T.A. Sheriff, B.A., Sales Manager, Mysore Arts & Crafts Depot, Bangalore.

I write to state that Sri. T.A. Sheriff, B.A., was selected to the post of Sales Manager, Arts and Crafts Depot, Bangalore, through the Public Service Commission, in an advertised vacancy, in 1944. Thus, he has been in the Depot for the last 10 years. He is now drawing a pay of Rs.190/- per month in grade Rs.100-10-200/-. He holds his lien on a I Division Clerk's post in the Chamarajendra Technical Institute, Mysore.

The post of Sales Manager of the Arts and Crafts Depot, is treated as a tenure one in Government Order No. I.915-6/Ind.28-52-2 dated 24-6-1952. It is with a view that it would neither be in the interest of the Depot nor the person employed as Sales Manager on a permanent basis that it was proposed to Government to treat the post of Sales Manager as a tenure one. Now that Sri. Sheriff has already been working as Sales Manager of the Depot for over 10 years, I propose that he may be transferred from the Depot.

In this connection, I write to state that one Sri. B.R.Srinivasan who holds a permanent lien in the Mysore Government Secretariat Establishment who is now working as Superintendent, Indian Guests' Quarters, Mysore, applied for an appointment in this Department through the Registrar, Mysore Government Secretariat. His application was forwarded to this office by the Chief Secretary to Government with his Memo No.AD.10951 dated 6/9-2-1953, and has been recommended by the Director of Industries and Commerce in Mysore, for being appointed to the post of Administrative Assistant in the Government Porcelain Factory, Bangalore, in correspondence resting with his letter No.P.I/1104/54-55 dated 28/30-7-1954. He may be appointed as Sales Manager, Mysore Arts and Crafts Depot, Bangalore, on his own pay of Rs.200/- per month in grade Rs.100-10-200/- plus Duty Allowance of Rs.30/- p.m., plus the usual Dearness Allowance, which he has been drawing in his present appointment. Since the Mysore Arts and Crafts Depot is badly in need of an efficient ~~sales organisation~~ and ~~a~~ qualified Officer who has got an aptitude and capacity for Salesmanship is required for the post of Sales Manager, I recommend that Sri. B.R. Srinivasan be appointed as Sales Manager of the Arts and Crafts Depot, Bangalore, on his own pay and a Duty Allowance of Rs.30/- per month, in view of the responsible nature of the work. I request you kindly to obtain early sanction of Government thereto and communicate the same to me.

With regard to Sri. T.A. Sheriff, I propose that he may be posted as Administrative Assistant in the Government Porcelain Factory, Bangalore, ~~x~~ on his own pay of Rs.190/- p.m., in grade Rs.100-10-200/-, instead of Sri. B.R. Srinivasan, as recommended in letter dated 28/30-7-1954 of the Director of Industries and Commerce. This arrangement has been proposed with the concurrence of the Director of Industries and Commerce in Mysore also. The Pension and Leave contribution on behalf of Sri. Sheriff will be borne by the Government

Submitted.

It is understood that I stand transferred as Manager of the Mysore Arts and Crafts, Bangalore, on my own pay of Rs.200/-. In this connection, I beg to submit as follows:- I am now drawing Rs.200/- as pay. In addition, I am also in receipt of a Duty Allowance of Rs.15/- and a Conveyance Allowance of a similar amount. My transfer, therefore, to Bangalore on the same pay of Rs.200/- would result in a loss of emoluments to me to the extent of Rs.30/- per month, which I have been drawing since the last twelve years and more. This transfer in addition is from a less costly place to a more costly place and thus the transfer affects my emoluments adversely in two ways, and I need not state the hardships to which I will be subjected to by this transfer.

I would therefore request that my transfer being from one Department to another, I may atleast be granted the Deputation Allowance of Rs.30/- to save me from the financial loss caused to me by this transfer as stated above. I request that the benign Government may be pleased to reconsider their orders and sanction me the Deputation Allowance prayed for.

Yours obediently,
Superintendent, 29.4.55
